

ONE-ON-ONE VOCAL COACHING Single Session

@IMOLA.VV

One specific goal. One focused, personalized session.

€60 / 60 min

If there is a song, technical question, performance challenge or musical issue you would like to work on right now, this session is for you. During the 60 minutes, we **primarily focus on one specific goal, tailoring the session entirely to what you need at that moment.**

We can work on:

- vocal technique, breathing, resonance and vocal range
- intonation, rhythm and musical expression
- learning, interpreting and performing a specific song
- stylistic phrasing and finding the character of a song
- vocal confidence and control
- stage presence
- songwriting and lyrics
- music theory
- teaching/learning perspectives, methodology and professional questions

The session is **60 minutes long** and available **in person in Sopron or online via Zoom.**

This option is ideal if you need **focused guidance on a specific question or situation**, or if you would simply like to **experience how we work together.**

Cancellation & Rescheduling

Please cancel or reschedule your appointment at least **48 hours in advance** – thank you for your understanding!

Cancellations made within 48 hours are charged at the full session rate.

Sessions cancelled within the required timeframe will be **flexibly rescheduled for another suitable time**. If a session has to be cancelled because of me, I will always provide a make-up session. If the offered make-up option is not suitable for you, **the price of that session will be refunded.**

Technical Requirements for Online Sessions

For online coaching, you will need:

- a **reliable computer or laptop**,
- good-quality **headphones/headset**,
- and a **second device** such as a phone.

Ready to Join?

If this training format feels right for you, **click the button and send your application**.

Once I receive it, **I'll get in touch with you** to discuss the details and arrange your first session.
